TORTUGAS SPORTS ENGAGEMENT

\$250 (max of 15 people)

This module lets you support our sports program that is active all year round. You will be able to interact with some of the players within the program as well as perform various activities that support the ministry. Please note that the options available will depend on seasons and availability.

COMMUNITY ENGAGEMENT

Puerto Morelos has a variety of needs that may include working with families, kids, parents, mothers, etc. The intent is to come alongside the community to improve quality of life and share the Good News of the Gospel.

Kids Club: \$5 / person / day or \$50 minimum

This is an opportunity to come alongside what Amor Cienega is already doing. At the moment we are equipped to run a "Kids Club" – VBS (Vacation Bible School) for children within the communities we serve.

Improvements to Tortuga's facilities: \$*price is project dependent

The Tortugas sports ministry currently holds most of its activities in a community park. As a way to show our support to the community, we have projects to improve the functionality, cleanliness, and safety of the park, basketball courts and football fields. Ask what projects are available that will best serve the community.

Community Health Initiatives: \$10 / person / day

Health education has been identified as an important need in the community. Amor Cienega aims to work in partnership with local schools, at Tortugas practices, in local churches and in remote communities. The teaching of preventative health principles has been shown to have a lasting impact on individuals and communities.

Mayan community Engagement: \$20 / person / day

This is an opportunity to partner with a local congregation in their outreach to the Mayan communities surrounding Puerto Morelos.

Housing Provisions

- 1) Renovations/Repairs/Additions – The price will vary based on the project. *Please contact Amor if interested. While new construction is needed for some families in Puerto Morelos, many families have existing homes in need of repair or additional space. This could include adding a new room, replacing a wall or roof, installing plumbing or electrical, or whatever else a family needs to have a safe and secure home. Amor uses environmentally friendly options whenever possible to provide a sustainable impact on the community and environment.
- 2) New Construction *STARTING 2021*

CIENEGA EXCURSION

Cost is \$200 per group up to 15 people plus \$10 per person for food and drink *non-alcoholic

The purpose of this excursion is to provide a setting for groups or families visiting, to further understand the work of Amor. It will normally last approximately 4-5 hours in the afternoon ending with dinner. This Cienega Excursion is available to those who are visiting the area as families or groups and are interested to discover how the Amor Cienega team are engaging with the Puerto Morelos community. This is an exploratory option for groups rather than a full hands-on day.

Each of these provide a unique glimpse of the area and have played a significant role in this community. This is not paid to Amor. Amor would only facilitate the reservation process if desired which would add a 10% fee paid to Amor.
