

Amor Statement on COVID-19 Concerns – Updated 9/23/21

If you haven't yet read our update on Amor Trips and Travel Restrictions, please do so at www.amor.org/safety

Now that Amor can host groups on trips, we will be doing our best to take steps to minimize the impact of COVID-19 on participants, families, and staff. In order to operate safely, it will have to be a collective effort in following safety protocols and policies.

In addition to our typical DocuSign Participant Form, all trip participants and groups will be required to sign an additional liability and assumption of risk form regarding COVID-19. In this form and schedule, it will detail the steps every participant and group must agree to and follow.

Below is what this additional form will entail.

COVID-19 Liability Release and Assumption of Risk

Due to the outbreak of the novel Coronavirus (COVID-19), Amor Ministries is taking steps to minimize the impact of COVID-19 on participants, families, and staff.

Relying on the Mexican government's and US/Mexico border's COVID-19 protocols, we have adopted additional safety policies and protocols. However, because the COVID-19 pandemic is an ongoing and evolving situation, the COVID-19 protocols established by the Mexican government and the US/Mexican border may change at any time. We will do our best to update our policies and protocols accordingly and to communicate any changes to you and your group.

Mexico has adopted a color system with regard to the COVID-19 pandemic which includes the following four phases: Red, Orange, Yellow and Green. Subject to the Mexican government's prior approval, Amor Ministries will allow participants to return on trips to Mexico only during the Yellow and Green Phases.

The Yellow and Green Phase will follow the same protocols. Once there are no color phases in Mexico, there will no longer be protocols.

All participants must read, understand and agree to comply with all Amor Ministries' safety policies and protocols (including those related to COVID-19) and the protocols listed in the Yellow and Green Phase. Copies of the current Yellow and Green Phase protocols are attached as **Schedule 1**.

I hereby acknowledge and agree as follows:

I am voluntarily participating in this trip to Mexico (“Trip”).

I am fully and personally responsible for my own actions while on the Trip.

I have read, understand and agree to abide by all of Amor Ministries’ safety policies and protocols, including those relating to COVID-19, as may be amended or supplemented from time to time.

I have read, understand and agree to abide by all of the protocols listed in the Yellow and Green Phase, as may be amended or supplemented from time to time.

If I do not abide by all of Amor Ministries’ safety policies and protocols (including those related to COVID-19) or the protocols listed in the Yellow and Green Phase, I understand I will be required to depart Mexico at my own expense.

I acknowledge there is an inherent risk of exposure to COVID-19 and there is no guarantee I will not be exposed to COVID-19 while participating in the Trip, despite Amor Ministries’ efforts to reduce such exposure.

I further acknowledge that I am knowingly and voluntarily participating in this Trip with the express understanding of the potential risk of exposure to COVID-19. I hereby accept and assume all such risk which includes, but is not limited to, personal injury, illness, permanent disability and death.

I have not experienced symptoms of fever (greater than 100.4°F/38°C), fatigue, shortness of breath or difficulty in breathing, or dry cough or exhibited any other CDC-recognized symptoms related to COVID-19 within the past 14 days.

I have not been, nor has any member(s) of my household been, diagnosed with the COVID-19 virus or tested positive for COVID-19 within the last 30 days.

With full knowledge of the risks involved, I hereby fully release, waive, and discharge Amor Ministries, its board, members, officers, agents, independent contractors, affiliates, employees and representatives, from any and all liabilities, claims, demands, and causes of action whatsoever, directly or indirectly, arising out of or related to any loss, damage, injury, or death, that may be sustained by me arising out of or relating to COVID-19 while participating in the Trip including, but not limited to, any activity while in, on, or around the worksites and campsites of Amor Ministries.

I agree to indemnify, defend, and hold Amor Ministries, its board members, officers, agents, independent contractors, affiliates, employees and representatives, harmless from and against any and all costs, expenses (including reasonable attorneys’ fees), damages, lawsuits, liabilities and/or claims arising, directly or indirectly, from or related to any and all claims due to injury, loss, damage or death from or related to COVID-19.

I understand and agree that this Agreement supplements any other Release of Liability/Consent Form I signed in connection with the Trip.

If I have any questions about any of Amor Ministries’ safety policies and protocols (including those related to COVID-19) or the protocols of the Yellow and Green Phase, or if I have any health or safety concerns involving this Trip, I will immediately contact Jon Wilson (Amor’s Chief Operating Officer) at 619-247-4141.

By signing below, I acknowledge that (i) I have read the above Liability Release and Assumption of Risk and understand its contents; (ii) I am fully competent to give my consent; (iii) I have

been sufficiently informed of the risks involved with respect to COVID-19 and voluntarily assume all such risks; and (iv) I am signing this Liability Release and Assumption of Risk as my own free act and deed with full intention to be bound by the same and free from any inducement or representation by Amor Ministries.

I agree that my electronic signature, whether digital or encrypted, to this Agreement is intended to authenticate any writing to be signed by me and to have the same force and effect as my manual signature. Electronic signature means any electronic sound, symbol or process attached to or logically associated with a record and executed and adopted by a party with the intent to sign such record, including facsimile or e-mail electronic signature.
